Dear Michael:

I have reviewed your request for approval of E-ZBar Reinforcing steel support spacers. Based on the documentation provided, the following products will be added to our approved list within MAPLE:

E-ZBAR – Reinforcing steel support spacers – IM 451.01 Appendix A

To search the MAPLE, please visit “<https://maple.iowadot.gov/>”.

These approvals may be withdrawn at any time because of deficient test results, certification changes or unsatisfactory field performance.

Please feel free to contact me if you have any questions.

Sincerely,

Scott Sommers, PE
